Dear Readers...

Yippee! It's finally time to unveil the project that my team and I have been working hard on for some time now.

I hereby officially announce the launch of my steamy rope bondage web site [BeautyBound.com](#). Beauty Bound is about gorgeous women in amazing rope bondage rigged by me and other guest rope bondage tops.

The photos are shot by infamous erotic photographers like Craig Morey, Michael Blue, Eric Kroll, Michele Serchuk, Steve Diet, Goedde James and James, Rob Nay of Bondage.com, James Mogul, Steven Speliotis, and more.

Currently the main photographer is Michael Blue and the guest photographer is Craig Morey.

I'm keeping most of the site free. . . all the word stuff, like the Beauty Board and the fantasy stories, diaries of the shoot and model's notes on the shoots are free. The images will be updated at least once a week and there will be a new guest artist / photographer twice a month.

The photo part has a very nominal fee to allow us to keep shooting.

I decided to launch this site because very few bondage images on-line gave me the thrill and turn-on I was looking for.

I want to create a place where one will find the women in their own erotic beauty, in possession of their sexuality and finding free flight of pleasure in the bonds.

You're not going to find unflattering "pot-roast" bondage or "Michelin man" rigging with this site.

You're not going to find images that insult the full beauty of the women.

In each shoot, the erotic fantasies of the woman are brought forth in a collaborative photo shoot.

I also really love the creative process of rope bondage as art and erotica.

The vision of the model, rigger and photographer brought together at the shoot location to create an erotically charged image.

I didn't like the porn out there, so I made my own!

That means that entering into the site is entering into my dirty mind! *lol*

Can you tell that I'm excited? Hooray!

Some User Suggestions:

1. **Scene Reports** from Photoshoots and My Internal Fantasies. . . as well as post-shoot confessions from the models and other artists are there for your reading pleasure. I often whiper my fantasies to the models as I

bind them. I decided to write many of these down. You'll find them by going into the "Contributors" section and scrolling to the bottom of the page. There you'll find the creative staff listed for each shoot. When you find a name highlighted that's where you'll find the stories buried. Enjoy!

2. When viewing the photos, try the Slide show option.
3. If you want to use the Forum as well as the main site, have two separate windows open for that.
4. If you join the pay portion of the site, the photos section, that is, before January 31st, the charter membership will lock you in to the cheapest monthly membership of \$15.99.

Let your fantasy roam! Tell me what you'd like to see in the future in my site! Do you want to model for me? Drop me a line! To celebrate the launch of the site, I have two major events planned. Remember those events I was hinting at during the last eNewsletter? Stop by and meet the models, party and have a good time! Maybe even win prizes! Here's the scoop. . .

Free New BDSM and Bondage Discussion Forum

I've created a new discussion board called Beauty Board forums as a free service within BeautyBound.com

Go to <http://www.beautybound.com/forums/> and get your log on ID.

You can remain as anonymous as you like, or list your all your electronic contact like AIM, ICQ, YIM, URL, etc.

Message each other. Use it as a gathering place. Use it for match making.

Read my board as my blog.

Since it's not under Yahoo or AOL, you don't need to worry about pesky ads or spams or creepy policies.

Well, it's all very new to me, so we're still working on the various bugs to tweak. . . If there are major problems, please let me know in my Midori's Lair board in the Beauty Board Discussion Forum and I'll see what we can do about it.

(Hey, maybe some of you know the work-around on some of these things. . . I'm particularly keen on trying to figure out some thing on the Forum program.)

Ok, enough for the plug.

I just couldn't help myself because I'm so excited about this!

I had better get to sleep now. . . by the time you read this, I'll be in Lost

Wages, er, I mean Las Vegas at BondCon having fun tying up someone very yummy!
